Exceptional Performance and Genuine Flavours for Your Doner Kebabs.

Elevate your kitchen with Potis Natural Gas Convertible Doner Kebab Machines, designed to bring authentic doner kebab flavors right to your business. These gyro grills feature top-notch attributes and precise control, making it easy to prepare delectable doner kebabs.

FEATURES:

- **Gas type**

Available in Natural Gas option, these machines fit seamlessly with your existing setup.

- **BTU**

With robust BTU ratings for Natural Gas, these equipments provide the heat needed for perfect cooking.

- **Burners**

Features infrared burners with ceramic plates for even heat distribution and consistent cooking. These machines include continuous pilots for immediate ignition, saving energy and allowing precise control of the heating process.

- **Adjustable**

The distance between the cooking spit and burners can be adjusted to achieve your desired level of smokiness and flavor as the amount of meat decreases.

- **Dimensions**

With compact dimensions, these doner kebab machines fit neatly into your kitchen without taking up too much space.

* Motor Head convertible to the rear of the unit (conversion kit sold separately)

* Natural Gas regulator must be purchased separately.

* Come with conversion kits
