

HEALTH STATION PRODUCT GUIDE

A RETAIL AND HEALTHCARE SOLUTION FOR
REDUCING THE SPREAD OF GERMS

NEW

The Omcan Vaccination Station

The Omcan Vaccination Station is a polycarbonate privacy partition for pharmacies built to shield patients from view while reducing the spread of contagious, airborne germs. The Omcan Vaccination Station provides peace of mind and creates a protective barrier in your pharmacy during the interaction between health professional and patient in the busy retail environment.

Full-panel, fire-retardant polycarbonate styles are easily cleanable and come with transparency options for varying degrees of privacy.
